

The tools

nine places to start, in three groups

the inner landscape

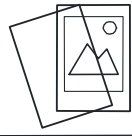

tools for better conversations

Emotional Culture Deck

by riders&elephants

How are we feeling as a team, and how do we want to feel?

More than Words

by Sabrina David

What does this picture say that we don't have words for, yet?

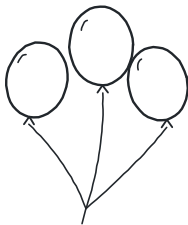

Deeper Questions

by Kiran Patel

What haven't we asked each other yet?

reading the system

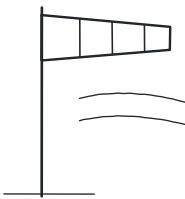

making sense of complex contexts

Six Conditions of Systems Change

after Kania, Kramer & Senge, FSG

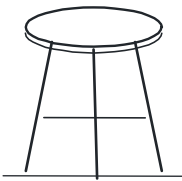

What's really holding this situation in place?

PESTLE

after Francis Aguilar

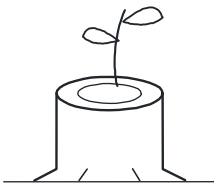

What's changing around us?

COM-B

after Michie, van Stralen & West

Why do people do what they do?

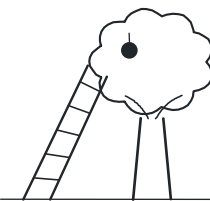

Two Loops

after Wheatley & Frieze, Berkana Institute

What's ending, and what's beginning?

holding direction

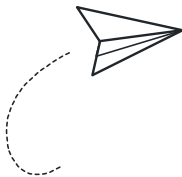

drawing action-oriented maps

Theory of Change

after Ingrid Burkett

How will we get from here to there?

DVFE

after Alexandra Almond

Is this idea worth doing?

None of these are mine, and it's not a complete set. Bring your own into the story.

Templates for the six frameworks are at reflexiv.co/resources. The card decks are available from their makers.
